1/ A organ donor certificate may be attached to license.
 2/ An organ donor pledge card is attached to the back of the license. It may be completed at any time.
 3/ The Social Security number is the license number.
 4/ Not mandatory. When supplied, the Social Security number becomes the license number in Georgia, Idaho, Iowa, and Montana.
 5/ Space is provided on the back of license for blood type and emergency information, but the information is not maintained by the Motor Vehicle Department.
 6/ Color photo is on initial driver license for persons under age 21 and, upon request, any other initial license.
 7/ By law, North Carolina has an organ donor program, but it is voluntary.
 8/ Drivers may request this type of renewal requiring a visit to the field office only once every 5 years, the photo for those under 21. Photo background is blue on unrestricted licenses and red on restricted licenses.
 9/ Both nonphoto and color photo licenses are issued.
